

RIGHTS AND PERMISSIONS FEE SCHEDULE

Reproductions of materials from the collections of The Manitoba Museum are provided under a license and conditions of use agreement. Costs are based on reproduction and user fees, and are for one-time, non-exclusive use. Advance payment is required. The following prices are subject to change without notice and do not include applicable taxes.

Reproduction Fees

In-House Digital Reproduction

Reproduction/handling, 300 dpi or higher, JPEG or Tiff	\$ 35 minimum per image
Reproduction/handling, 72 dip JPEG	\$ 25 per image
Disk writing charge for images supplied on CD-ROM	\$ 10
Postage fee (if applicable)	\$ 5

It may be necessary to contract out digital reproduction depending on the nature of the request and artifact (see "Prints" for more information on contract fees).

Prints (Colour, Black & White)

All print requests are by contract. Clients are responsible for all contract fees, and the Museum will supply a quote prior to work being done. In addition to contract fees, a pull/set-up charge of \$50 will be charged per artifact. The Museum assumes responsibility for arranging to have the material reproduced. If a negative or digital scan must be made to provide a client's copy, the negative or digital scan becomes the property of the Museum, although the client assumes the cost of the print and/or digital scan. The Museum reserves the right to restrict the reproduction of artefacts and specimens on the basis of conservation and preservation concerns.

Videotaping and Filming

Filming or videotaping of collections for various purposes, is at the discretion of curators and conservators. A pull/set-up charge of \$50, curatorial/conservation staff time, and applicable user fees may apply. A minimum of 48 hours advance notice is required.

Rush Orders

Orders required in less than two weeks may be subject to a \$50 rush order charge.

User Fees

User fees not charged for personal or private use, scholarly research/publication and publication proposals.
