The Manitoba Museum inspires personal discovery, appreciation, and understanding of Manitoba, the world, and the universe!

WELCOME BACK!

MUSEUM GALLERIES

The Museum experience is immersive, highlighting Manitoba's human and natural history with dioramas and captivating stories. Set sail on a thrilling voyage of discovery aboard the *Nonsuch*, a life-size replica ship. Watch a polar bear under the northern lights. Observe a Cree family as they gather food by a stream. Feel the wooden boardwalks of 1920s Winnipeg.

PLANETARIUM

Featuring Digistar technology, the Planetarium's virtual reality capability creates a new sense of depth to the known universe. Fly to familiar constellations and see them in new ways.

Please note: Late entry and re-entry after a show has begun will not be permitted.

No food or drinks permitted in the Museum Galleries or Planetarium.

The Science Gallery and Museum Shop are temporarily closed due to COVID-19.

First Aid/Lost & Found

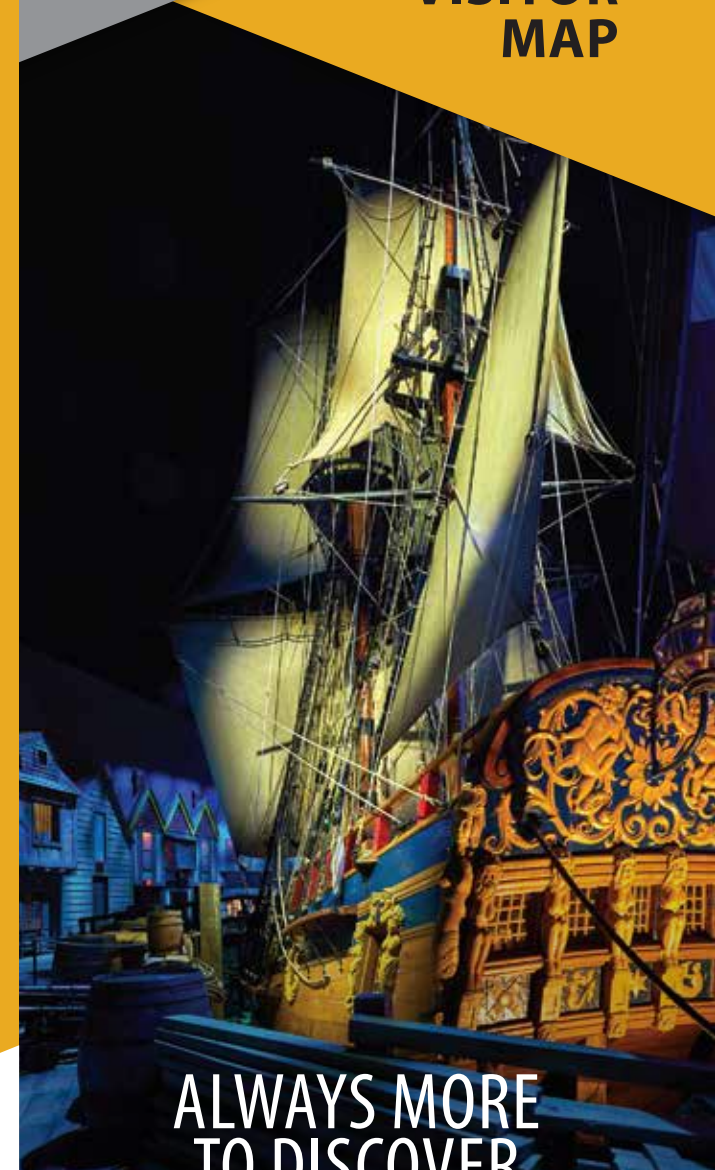

Please go directly to the Security Desk in the Museum foyer in case of lost children or belongings, illness, or injury.

Photography

Pictures and video are allowed in the Museum Galleries for personal use only, and in the Planetarium before or after the show only.
