

m 2024 TRIBUTE GALA

CELEBRATING COMMUNITY VOICES

THE MANITOBA MUSEUM
APRIL 24, 2024

HOSTED BY **Shelagh Rogers**

HONOURING JAMES COHEN
& LINDA MCGARVA-COHEN

This year, the Manitoba Museum's Tribute Gala is highlighting the value of community and its important role in our province's history, heritage and culture. We are honouring two individuals' dedication to fostering a sense of community and providing opportunities for all Manitobans.

Funds raised through the annual Manitoba Museum Tribute Gala support the Access for All community initiative by removing financial, social, and cultural barriers to visitation. Through this initiative, the Museum aims to further grow, diversify, and engage new audiences and create a place that belongs to all Manitobans. This involves the continual reflection and assessment of research, collections, exhibitions, and programs to enhance their relevance to Manitoba's diverse populations including ethnicity, culture, age, gender, and abilities.

One of the Access for All initiatives is providing Manitobans access to the Museum at no charge - those Manitobans who would otherwise not have the opportunity to engage in memorable learning experiences that bridge our understanding and love of history, nature, and science with today's reality and hopes for the future.

Join us on April 24 at the Manitoba Museum to celebrate and recognize the important contributions of these exceptional honourees.

The Manitoba Museum acknowledges we are on Treaty No.1 land, the ancestral lands of the Anishinaabeg, Ininiwak, and Michif. These lands, water, and waterways are the unceded territories of the Dakota, and the homeland of the Red River Métis Nation. The Museum is committed to reflecting the continued legacy of all the original peoples of this province, including the Ithiniwak, Denesuline, Anishininiwak, Inuit, and Nakota.

We acknowledge the harms of the past, are committed to improving relationships in the spirit of truth and reconciliation, and appreciate the opportunity to live and learn on these traditional lands in mutual respect.
