

OPEN FOR ADVENTURE

at the Manitoba Museum

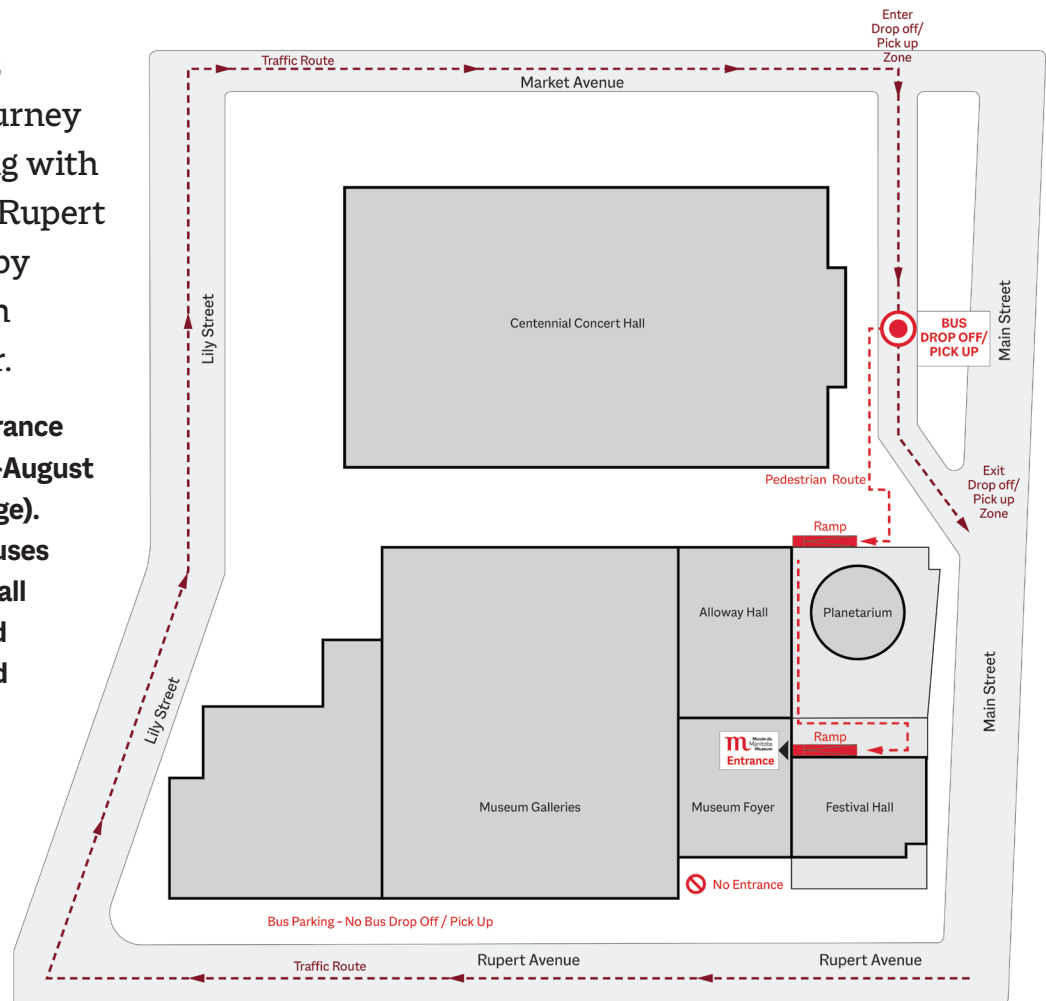

The Manitoba Museum has embarked on an exciting journey of transformation, beginning with significant upgrades to our Rupert Avenue entrance, followed by a comprehensive renovation of our foyer later in the year.

The Museum's Rupert Avenue entrance is closed to public traffic from mid-August to late November (subject to change). During this time, school/charter buses may use the Centennial Concert Hall loop on Main Street to drop off and pick up passengers. Groups should then proceed to the Manitoba Museum's Main Street entrance to access the building.

Parking is not permitted at the Centennial Concert Hall. The loop should be used for drop-off and pick-up only.
